

First

THERAPIES FOR CHILDREN, TEENAGERS. ADULTS & FAMILIES

Wendy offers a wide range of therapies and home programmes suitable for children, teenagers, adults and their families. Much of her work has been published and she also develops bespoke programmes to meet individual/ family needs. Click here to view a short introductory film. Click on an image in the border for a pdf download or email enquiries@wendyrinaldi.com

SUPPORT IN THE EDUCATIONAL. HEALTH & CARE PLAN (EHCP) PROCESS

Wendy draws upon the knowledge and experience she has gained from her Doctorate (with the London Institute of Education, Dept of Educational Psychology & Special Needs), in addition to many years of practice as a speech and language therapist, to offer support to parents in their contribution to their son or daughter's EHCP. Click here to view a short, introductory film. Click on the EHCP image in the border for a pdf download

THERAPIES FOR SCHOOLS & COLLEGES

Wendy can be commissioned to provide therapy for schools and colleges. Staff training can be incorporated by Wendy tutoring staff who work alongside and by providing specialist materials (published and bespoke) that can be used afterwards. Please email enquiries@wendyrinaldi.com for further information.
